FOLIO OPERATIONS	GOAL – ALL CHARGES AND EXPENSES CONCERNING CUSTOMER APPEAR HERE 1. Action Column– Either to EDIT or SEND or VOID a charge. 2. Total – total amount of Charges.NOT AVAILABLE IN CURRENT UPDATE. 3. Room Charges Not Appearing in FOLIO OPERATIONS After Checking in customer. ONLY ROOM POSTING 4. FOLIO OPERATIONS – ignoring time , should be systematic based on the time on which is posted use FIFO method. ROOM POSTING CURRENTLY APPEARS RANDOMLY ON THE TABLE. 5. BALANCE – if AMOUNT PAID Is greater than the BALANCE DUE LETS SAY CUSTOMER PAYS 400,000 but room charges are 200,000 balance should be at negative with and customer should be refunded.	ADD NET TOTAL AMOUNT at the end of folio operation (like before). On every folio operation the should be EDIT /SEND or VOID in action column. Room charges of a particular date should appear on folio operation check on the format at the end of this document for more reference check on ezee system. Make each folio operation consider time stamp on which its posted, room posting and payments tend to appear randomly refer to the sample folio operation table at the end of the document. REFUND - if AMOUNT PAID Is greater than the BALANCE DUE LETS SAY CUSTOMER PAYS 400,000 but room charges are 200,000 balance should be at negative with and customer should be refunded.
TASKS	ADD TASK – NOT DONE After creating task – how do you delete task after done.	1. Make it capable to add more than one task in a single room. 2. Add ACTION COLUMN with DONE & DELETE 3. Once current date has passed and guest has checked out . “ADD TASK” should be INACCESSIBLE OR “DELETE BUTTON” should be INACCESSIBLE as well.

...MORE	1. New Folio – NOT DONE 2. Cut Folio – NOT DONE 3. Split Folio – NOT DONE	1. Before the beginning of folio operation table meaning before TOTAL /TOTAL PAID/BALANCE there should be FOLIO NO or CODE . Therefore when the user creates “NEW FOLIO” an actual NEW FOLIO forms with its OWN TABLE & TOTAL. 2. After creating NEW FOLIO when user clicks “SPLIT FOLIO” an on the left side should be OLD FOLIO with all operations and on the right side should be search bar where the user can search for any folio including the NEW FOLIO made the folio should be searchable by code or guest name . 3. After selecting the NEW FOLIO there should be a box on each folio operation from the OLD FOLIO for the user to select which folio operation to transfer to the NEW folio and an ARROW Button at the middle of OLD and NEW FOLIO pointing to the NEW FOLIO when clicked will transfer all selected operation to the NEW FOLIO.

When room is vacant on today's date should light GREEN on the room no and the total of vacant room should reflect the number of rooms that are truly vacant. SAME APPLIES FOR OCCUPIED/RESERVED/DUE OUT.
DUE OUT LOGIC IMPORTANT	Mfano mteja ali check in 10/09/2026 na Check Out ni 11/09/2026 one night , night audit itakua ya tarehe 10/09/2026 therefore itaweza fanyika na ikifanyika business day ikibadilika STATUS ya mteja inabilika kwenda DUE OUT maana yake NIGHT AUDIT ya tarehe 11/09/2026 haitowezwa kufungwa mpaka mteja alipishwe na kuchekishwa out sababu mteja ilibidi aondoke tarehe 11 asipoondoka that means number of nights zinakua mbili ya tarehe 10 na 11. Au check out iwe extended to future date.	1. WEKA DUE OUT kuwa PURPLE COLOUR

QUESTIONS

Will editing a charge by manager past night audit will it affect night audit report?
